

I have been involved in breeding and showing paint horses for 40 plus years. Raising many champions and futurity winners. I like a lot of people always admired the beautiful Irish wolfhound and vowed one day that I would own one. So when the opportunity presented itself back in 2007 I made the leap. Getting my first Irish wolfhound Will Bring Me Luck aka Libby. She was my heart hound. Libby loved to course and I loved to watch her run. She finished her field championship in one year running most of the time a mixed run as she was the only IW running in a Alberta she ended up being number 1 IW in the CSFA. I bred Libby and kept back Ch Silhouette Spoiled Not Rotten FCH aka Emily and Silhouette In Motion FCH aka Amy both again liked to course finishing number 1 and number 2 in the IW CSFA. I bred Emily and ended up with Ch Silhouette Goin On By Ya aka Bree. She much to my dismay does not like to course but will cheer the other dogs from the side lines. I also acquired a bitch from the UK GCH Barrassys Silhouette aka Nessa we are just starting her coursing career. I am looking forward to being on the board and getting to know you all.
