**12 - 15 month MALE**

**98 Cnoccarne Clonliagh** PE 973459 3/20/2004 Breeder: Emma E Ross Knocknarea Venoble Of Cnoccarne X Cnoccarne Catincagh Canada Owners: Pauline Dunn, Emma Ross  
Balanced red wheaten in hard condition. Would like to see more of him. Good head planes in profile with rosed ear; eyes round and a little close set. His gait is easy and active coming and going. His side gait is smooth. Neck sets well into his body.

**97 Legacy's Cluricaune Charmer** Listed 3/24/2004 Breeders: Lisa & Harley Blanchard Am Ch Oxmoon Brogan Of Limerick X Am Ch Legacy's Charmed I'm Sure Elsewhere Owners: Belle & Dan McCluskey, Lisa & Harley Blanchard  
A large brindle who is masculine and pleasing standing. A bit heavy in head and ear but very pleasing expression through his eyes. Layback is reasonable but his upper arm angulation restricts his gait. Tail is not his fortune.

**96 Cnoccarne Curragh** PE 973458 3/20/2004 Breeder: Emma Ross Knocknarea Venoble Of Cnoccarne X Cnoccarne Catincagh Canada Owner: Shirley Stokes  
A large wheaten male with very pleasing temperament. For a young hound, I find him overweight which affects his outline. He needs more angulation front and rear. Needs to pull his movement together.

**CANADIAN BRED MALE**

**99 Cnoccarne Marcanagh** NL 931583 6/5/2003 Breeder/Owner: Emma Ross Ch Cnoccarne Cahillagh X Marumac Gabriellagh Canada  
A grey red brindle in hard condition. Good bone with a good spring to his ribs and correct length of loin. Head is balanced and masculine; would like a darker eye and smaller, finer ear leather. His neck is strong blending well into his shoulders. Overall, I would like him to have more curves to his outline. Gait true coming and going and fluid from the side. Finishes with good croup and strong tail. Pleasing to go over.

**BRED BY EXHIBITOR MALE**

**102 Legacy's Satisfaction** Listed 8/6/2003 Breeders: Harley & Lisa Blanchard Am Ch Girianan Ladd Of Limerick X Kaelyn's Cashmere Of Legacy Elsewhere Owners: Ed & Nan Drake, Harley & Lisa Blanchard  
This dog takes the class on his balance and overall body shape. His black colour may make him look to be less than he is, but he is adequate in substance. Masculine head, good ear, bite, and pleasing expression. Happy to be here. Hard in hand. I would like more angulation front and rear but he moves adequately, if a little lethargic in side gait; true coming and going.

**101 Am Ch Legacy's Winchester** Listed 10/6/2002 Breeders/Owners: Harley & Lisa Blanchard Am Ch Rysheron's Conjured Soul X Windswept Legacy's StormSurge Elsewhere  
A large, handsome dog with good bone. Coat somewhat soft. Would like more length through both muzzle and skull. Good bite. Strong neck blending into shoulder well. He is tight in the elbow which affects his gait coming and going particularly. Again an outline that needs more curves.

**100 August Timbre** Listed 10/3/2003 Breeders/Owners: Jim & Ellen Kroll Wolfhouse Melody Maker X August Selena Elsewhere

This dog is probably the most correctly angulated dog in this class but there is just not enough of him for me. He flies on his side gait. Soft walking away from me. Not happy to be here although he did allow me to examine him.

#### **OPEN MALE**

**107 Stoneybrook Kozmopolitan** Listed 7/8/2002 Breeder: Judy Simon Am Ch Stoneybrook Kovu X Rathrahilly Stoneybrook Umbria Elsewhere Owners: Harley & Lisa Blanchard  
I like the overall shape and substance of this dog in this class. A dark grey brindle with typical expression. Needs more length of muzzle to give better balance to his masculine head. Ear leather could be finer and better rosed. Masculine neck blending well into his shoulders. His movement coming and going not his strength but his sidegait was to his advantage in this class. Should be in harder condition.

**104 Rysheron's Taibhsear Mclre** Listed 10/2/2003 Breeder: Chery Riggs Ch Rysheron's The Guardian X Rysheron's Legacy Elsewhere Owners: Barbara J Robertson, James W Robertson  
A longer cast black brindle. Outline is pleasing but a little narrow throughout for me. Sound coming and going. Balanced. A little training would help his presentation but certainly pleasing demeanour. Bite level and worn.

**105 Knocknarea Venoble Of Cnoccarne** 1077030 Reg 2/25/2002 Breeders: Ulli & Ika Peiler Ir Ch Mallanigh Dawn Chase Of Knocknarea X Ir Ch Knocknarea Panache Elsewhere Owner: Emma Ross

Red brindle with good skull and pleasing expression. Soundest dog in the class. I find him short through the rib cage but with correct depth through the chest. This affects the appearance of his body, making him look short to my eye. Not a large dog but adequate bone.

**106 Moloney's Isaac** Listed 5/27/2001 Breeder/Owner: Michael O Moloney Ch Moloney's Andre X Am Ch Moloney's Rosey Elsewhere

Overall nice shape but rather narrow through the skull for me. Level bite. Nice shape to his HQ but not the muscle mass that I would hope for. A little flat in the croup. Side gait shows extension; up and back not t

This red wheaten veteran dog could put a few of the youngsters I have had today to shame. Although I find his head a little long cast for my taste, he has correct balance, planes and wonderful kind dark eyes. He has one of the best front structures I have come across today. Correct bone and substance. Very true coming and going and nice stretching side gait.

#### **JUNIOR PUPPY FEMALE**

**110 Legacy's In Your Dreams** Listed 10/22/2004 Breeders/Owners: Harley & Lisa Blanchard Stoneybrook Kozmopolitan X Legacy's Bewitched Elsewhere

Love this puppy! Shape and overall balance. Dark colour may make her deceiving to the eye but she has wonderful bone and body substance. Correct ribbing. Pretty and feminine head piece. The impression is one of curves and control when she got her act together to show off her gait.

Stoneybrook Kozmopolitan X Legacy's Bewitched Elsewhere Owners: Doug & Mary Cobb,  
Harley & Lisa Blanchard

Lovely puppy with bone and substance. She loses a bit of her shape on the move but there is also a lot of her to hold together. Great width of stifle and even at this age, great muscle mass with second thighs. A little soft on one hock as she moved away.

As it turned out, littermates who, I think, will each give the other a run for the money as they develop.

#### **12 - 15 month FEMALE**

**112 Cnoccarne Clooneenagh** PE 973452 3/20/2004 Breeder/Owner: Emma Ross Knocknarea  
Venoble Of Cnoccarne X Cnoccarne Catincagh Canada

Red brindle of some substance and height in hard condition. A little plain through the eyes for me but ear set and bite are good. Sweet disposition. Forward set shoulders make her neck look stuffy. Overall, needs more angulation front and rear.

#### **15 - 18 month FEMALE**

**113 Kellcastle Fearn Sorcerer's Stone** Listed 12/6/2003 Breeder: Anne Spalding

Ch Kellcastle Chocolate Ribbon X Ch Kellcastle's Hoitie Toitie Elsewhere Owner: Melisa Reese  
Balanced bitch with good planes to her head and pleasing expression. Adequate bone. Correct coat. More width through the brisket would please me although her gait coming and going was true, if a little close in the front. Showed extension in her side gait with good croup and tail set finishing her top line. Would like more angulation front and rear.

#### **CANADIAN BRED FEMALE**

**114 Cnoccarne Moriagh** NL 931582 6/5/2003 Breeder/Owner: Emma Ross Ch Cnoccarne  
Cahillagh X Marumac Gabriellagh Canada

Love this bitch's head front on and in profile. Correct ear set and leather. Would prefer a darker eye although hers is perfectly acceptable in her red brindle colouring. Neck is strong and blends well into her shoulders. Could use more width through brisket. Body is hard and ribs correct in length and spring. Strong loin. Dead sound coming and going with strong drive in side gait. Would like to enhance her curves overall but a very pleasing bitch to my eye.

#### **BRED BY EXHIBITOR FEMALE**

**116 August Cadenza** Listed 10/3/2003 Breeders/Owners: Jim & Ellen Kroll Wolfhouse Melody

A wheaten brindle of adequate size in hard condition. Would prefer more bone and better foot. Not totally confident but used herself well on the move.

#### **OPEN FEMALE**

**120 August Lyric** Listed 10/3/2003 Breeders: Jim & Ellen Kroll Wolfhouse Melody Maker X  
August Selena Elsewhere Owners: Ellen Kroll, Susan Paine

Wins on her overall outline. For me, she needs to have more bone to go with her height. Wonderful side gait and reasonable up and back. In hand, I find her a little shelly but in hard condition.

Ch Moloney's Andre X Am Ch Green Winds Rathelyne Elsewhere Owner: Michael Moloney  
This bitch seems tired and lethargic in the show today. Overall body shape is pleasing, low on hock. Needs more bone. Good ribbing, nice ear. Coat in fair condition. Not enough to touch #1 today.

**119 McIre's Awenyod O' Rysheron** Listed 9/4/2003 Breeders: Barbara J Robertson, Carrie McLean  
Ch Rysheron's The Guardian X Ygdrasil Baccarat Elsewhere Owners: Barbara J Robertson, James W Robertson  
This bitch got her placement on her outline but I would severely penalize her for her temperament. She did allow me to go over her but was very reluctant. Probably the best structure in the class although topline is a little flat to my eye. A little long in the loin. Easy and reaching gait from the side.

**122 Lilliput Celticwind Quinn** 1080907 Reg 2/17/2003 Breeders: B & P Little Am Can Ch  
Tyrconnell's Lilliput Lancelot X Lilliput Oleander Elsewhere Owner: Carole Borgens  
Wonderful temperament and very happy to be here. Lovely ear. Carrying too much weight. Not adequately angulated front and rear to move out..

A bitch of lovely type and shape. Nice head piece with pleasing expression. Beautiful strong neck set correctly into her shoulders. Depth of chest and spring of rib correct. Showing her age a bit in her gait. A very high quality bitch of note. (I wish I could have seen her in her prime.)

Firstly I would like to thank the BC Club for allowing me to judge their sweepstakes. I really enjoyed the chance to put my hands on some very nice puppies. Over all the pups are very promising and have good type and balance. It was nice to see the temperaments were good and most were fairly well trained.

I would also like to comment on the wonderful hospitality at this specialty it was fantastic! The snow committee was most helpful. The food was magnificent. My ring steward was great, and everyone went out of his or her way to be so helpful and make me feel very comfortable.

Thank You!

**12 - 15 month MALE**

98 Cnoccarne Clonliagh, Pauline Dunn, Emma Ross  
Well Balanced Red wheaten brindle, Nice long upper arm, good reach and drive, good muscling, moved well with nice side gate and clean coming and going, wonderful temperament. I would like a bit better layback on the shoulder, and better ears.

97 Legacy's Cluricaune Charmer, Belle & Dan McCluskey, Lisa & Harley Blanchard  
I like the shape on this puppy, beautiful rear angulation, and nice side gait, nice masculine head with nice little ears set well. To upright in front causing this dog to paddle.

96 Cnoccarne Curragh, Shirley Stokes  
This dog was overweight, had wonderful head and ear, a bit straight fore and aft. Tied at the elbow, not the mover of the other two in the class.

**6 – 9 month FEMALE**

This was a tough class even though there were only two who turned out to be littermates. Would have no problem taking either of them home.

109 Legacy's Dream Girl Of Islay, Doug & Mary Cobb, Harley & Lisa Blanchard  
Nice long body, great bone, Great front, Nice deep chest. Beautiful rear angulation, nice second thigh. lovely type, soft expression, relaxed into a nice easy side gate when given a chance to settle. She was beautiful coming at me. She was good going away when she settled into it. Loved the way she held her topline on the move. She has a bit more length of body than her sister, and is a bit heavier in bone size and structure. The larger of the two. However she has a softer coat and larger ears than her sister. Today she was my favorite. Also my best junior puppy as well as best puppy in sweeps.

110 Legacy's In Your Dreams, Harley & Lisa Blanchard  
Nice puppy! Hard black coat, well balanced, lovely type, Nice head and ear, not quite as deep as her sister, out of control on the move, was shorter in loin than her sister, was hard to see her true movement as she was racing around the ring. What I could see was terrific reach which steamed from a beautiful front. Powerful drive in rear was pushing her front. Look forward to seeing her under control someday.

## **12 - 15 month FEMALE**

112 Cnoccarne Clooneenagh, Emma Ross

Wheaten girl, magnificent head and ear with wonderful expression, free easier mover, nicely balanced. This girl held a beautiful topline on the move. Very clean coming and going. Nice hard coat. My best senior puppy as well as reserve best puppy.

111 Dreamacres Keep Faith, Jill A Johanson Benoit

Lovely shape on this girl, nice coat, nice balance, deep chest, nice lay of shoulder and good second thigh. Shorter in loin than #1, Built like she should move better than she did today. This girl had a slight limp on the last go around.

## **15 - 18 month FEMALE**

113 Kellcastle Fearn Sorcerer's Stone, Melisa Reese

Beautiful silver coat, nice stocky bitch, deep chest, good shoulder, good bone, head a bit wide in back skull. A bit short in body for me. Nice on the move.
