

Event: IWCC Quebec Regional Specialty Show

Date: May 28, 2005

Conformation Judge: Roni Kaluza, USA

I wish to thank the club for inviting me to judge this specialty, and express my appreciation for all those who brought their hounds for my consideration. Even after all these years, I still get very excited about the chance to evaluate a large group of IWs, especially when the quality is as high as I found at this show. The venue was nearly perfect; a grassy, level, beautiful site, no traffic noise or neighbors nearby, surrounded by trees. As I was promised, the food was superb, and the aroma of roasting lamb filled the ring all afternoon. I know Josee and Pierre will be very happy in the Caribbean, but they (and their venue) will be sorely missed.

The quality of the hounds was overall very good. I was very pleased with the temperaments, and found that the rear construction was consistently good. Feet were strong, coats and bites were good, and I found none of the toeing-in problem that is cropping up in the states. My main criticism concerns the fronts. Far too many hounds had upper arms that were too short and/or that dropped straight down from the point of the shoulder rather than angling back under the dog. I do not believe that IWs should have upper arms and shoulder blades of equal length or that they should be set at a 90° angle. However, an upper arm that is nearly the length of the shoulder blade, with an angle of return that sets the elbow well under the withers, is important to allow proper and easy reach. This is especially important in mature dogs – youngsters can often achieve an easy gait even with this problem, but a hound that is carrying mature mass has to work much harder to compensate. Because this problem was so prevalent in the entry, as the day went on I put more emphasis on it than I normally do in my placements.

I must also comment on the large number of fat dogs in this entry. Beyond having a negative effect on the dogs' health, this often also makes them less competitive in a show ring. It is hard to achieve "easy, active" movement when you are hauling excess poundage, and there were a number of sagging topline and wide fronts that I'm convinced were entirely due to the excess weight.

BEST OF BREED

Can/Am Ch. Starkeeper Glenamadda Realtan

This was probably one of the easier decisions I had all day. She is a marvelous blend of size and power with a greyhoundy build – big and graceful and light on her feet, and a calm, sweet demeanor. I'd take her home in a heartbeat!

BEST OF OPPOSITE SEX

Ch. Karontara Starkeeper Dylan

This red wheaten boy is eye-catching, sound and typey. I could wish for him to be larger, even though he is certainly within the size prescribed by the standard, but that is about the only thing I would change about him. He has a handsome, masculine head, correct bone and substance, and proper curves everywhere. His movement is easy and light and true.

JUNIOR PUPPY MALE

Dingoranch Gitan, PQ972084, 08/29/04 Breeder: Andrée Perron, by: Aotearoa Dingoranch Omer ex Aotearoa Dingoranch Zira, Canada; Propriétaire/Owner: Chantal Gauthier

A very big, well-developed boy, well-muscled, lots of power. He could use a stronger topline and possibly a longer neck. It was his first show and it was clear he was not used to being examined by a stranger, but after we talked for a moment, he accepted me, so I'm sure he'll be fine with more experience.

SENIOR PUPPY MALE

This class was a whole lot leggier and rangier, and none of them had the muscling of the Junior Puppy Male

Kaleel Glenamadda Starkeeper , 1086418, 07/11/04 Breeder: Wayne & Rose Kratzer, by: Arannwood Viking ex Starkeeper Blaze Of Kaleel, Elsewhere; Owner: Susan M.L. Prokopenko & Jocelyne Gagne
While this dog could use more return of upper arm, he really handles himself in terms of side movement. His body length and proportions are proper, and I preferred his head and his tail carriage to the 2nd place dog.

Wolfkin Loki at Massapeag, PQ975821, 08/04/04 Breeder: Casey Nesbitt, by: Currian R Q Home To Wolfhaven ex Wolfhaven's Malarkey At Wolfkin, Canada; Owner: Karen Eberl & Casey Nesbitt
Has proper body length and good length and depth of ribs, nice body shape and curves for his age. He was cleaner on the down and back than the 1st place dog. Tail was carried a bit high, which I consider a fairly minor fault.

Aotearoa Emrys Meriadoc, PL956746, 06/22/04 Breeder:owner by: Ch.Aotearoa Manuka 2nd ex Ch.Aotearoa Mata Hari At Emrys , Canada; Owner: Barbara N. Daley & Louis A. Freedman
Has very nice angulation behind, but front movement did not seem as comfortable as those who placed ahead of him. I did like his head, it was masculine and attractive, and should be quite handsome when he's matured.

Starkeeper Quebec's Ciaran, PL954237, 06/11/04 Breeder: S.ML Prokopenko, Jocelyne Gagne, by: Ch.Calorien Glenamadda Ard Rhi ex Ch.Kellamore Starkeeper Majora, Canada; Owner: Nancy McDonough
Nice head, body shape and depth of chest, and couldn't ask for a better attitude. His front movement didn't measure up to those who placed higher, and he could use more angulation in the rear. His coat was soft, which is not uncommon in black dogs

MONTH 12-18 PUPPY MALE

Aotearoa Kia Oro, PC930435, 02/26/04 Breeder: Barbara Daley, by: Aotearoa The Rising Of Tokelry ex Ch.Aotearoa Hihi Kata, Canada; Owner: Barbara N. Daley
Very powerful, easy moving dog with a very masculine head. Front movement was the best in this class and this, plus his curvy body shape won him the class. Has a lot of promise.

Cnoccarne Carrowmoragh CNOCCARNE, PE973456, 03/20/04 Breeder: Emma Ross, by: Knocknarea Venoble Of Cnoccarne ex Cnoccarne Catincagh, Canada;Owner: Jeanne Patterson
Has a wonderful rear, beautiful head, good body length, easy long loping stride, could use more length of upper arm. I'd prefer that his rib cage maintained its depth farther back.

Skywalkers A'Patriot Game, Listed, 03/17/04 Breeder: Cie Harris, by: Skywalkers Aniken Karisma ex Skywalker's Artoodetoo Teagh, Elsewhere; Owner: Melissa Anderson & Cie Harris
Has a lot of power, and great coat and a beautiful pelvic structure, but doesn't have the depth of body or curves of the first two. Could be cleaner coming at you, but this is something that often improves with maturity.

CANADIAN BRED MALE

Castlekeep's Soul of the Bard, NQ899137, 08/27/03 Breeder: Donna L. Tomson-Castle, by: Ch.Wolfhaven Soul Man ex Glor Na Gael Saoirse Castlekeep, Canada; Owner: Katherine Luna & Donna Tomson-Castle

Best length and shape of body in this class, has a nice topline, sets himself into better angulation than when his owner stacks him, very easy side stride and maintains his body shape on the move. His head seemed a bit fine for a male.

Aotearoa Emrys Marama Kapua, MY841386, 12/03/02 Breeder: Barbara N. Daley, by: Ch.Aotearoa Mangu Mumu ex Ch.Emrys That Touch Of Class, Canada; Owner: Kyreen E. Shorey & Barbara N. Daley

Has a beautiful pelvic structure and nice rear action, but needs more length to upper arm and his reach is somewhat limited. I prefer his head to the first place dog.

Demage Hors La Loi, NJ874979, 05/29/03 Breeder: owner, by: Ch.Demage Monte Cristo ex Can/Am. Ch.Demage Corne Muse, Canada; Owner: Danielle Renaud & Germain Mc Neil

This dog has a lot of very nice pieces that somehow just don't meld together into an overall picture. His front is probably the nicest I've seen today, and his rear structure is very nice. I'd like to see him a bit taller and rangier.

Castlekeeps Viking Soul & Spirit, NQ899131, 08/27/03 Breeder: Donna L. Tomson-Castle, by: Ch.Wolfhaven Soul Man ex Ch.Glor Na Gael Saoirse Castlekeep, Canada; Owner: Celeste Kindree & Donna Castle

Has a very pleasing, masculine head, and a reasonable front structure and decent reach. His shape standing is much better than on the move. Shows better angulation when he stacks himself.

BRED BY EXHIBITOR - MALE

This class shows wonderful quality and an interesting mix of types, one very powerful, one clearly a runner, and one that blends the two.

Taliesin's Llenlleawg, ERN24001016, 05/27/00 Breeder: David & Donna Smith, by: Donna's Dream Von Der Oelmuhle ex Taliesin's Lasair Of Eagle, Elsewhere; Owner: Donna R. Smith & Karen F. Malone

Lovely balanced dog, a good blend of power and speed. Very nice front, nice easy stride, wonderful body shape and holds his shape well on the move. WINNERS DOG

O'Lugh's Kahlua & Cream, ERN23002628, 07/18/02 Breeder: Andrea & Michael Dormady, by: Can/Am.Ch.O'Lugh Book Of Kells x Am.Ch.Demage Malibu O'Lugh, Elsewhere; Owner: A.& M. Dormady & William Holmes

Very nice front, adequate length and return of upper arm, which shows on the move. This dog looks as if he could really run, has a lovely reaching stride, but doesn't have the power of the first place dog. Topline flattens a bit on the move, although it appears proper when he is standing.

Redtops Celtic Spirit, ERN23002175, 12/20/02 Breeder: Rosemary Wortman, by: Redtops Phantom Of The Opera ex Redtops Brennagh, Elsewhere; Owner: Rosemary E. Wortman, Redtop

Very handsome dog with a very nice rear, a little heavy to be considered a courser. Best rear of the three. Could use a little more length in ribcage and in head.

OPEN MALE

– I apologize, but for some reason, my tape was blank for the remainder of the dog classes and Winners Dog, so there are no comments.

Ch. Orpheus of Dunhill, MC801558, 02/07/02 Breeder: Dr.Jorgen Van Zsidy, by: Ch.Wolfhouse Mythical ex Ch.Camilla Dunhill Of Nutstown, Canada; Owner: Hughette Rainforth

Blair's Alloy O'Massaoeag, Listed, 01/26/01 Breeder: Cecilia Hoffman & Bryan Connor, by: Redtops British Sterling ex Blair's Copper, Elsewhere; Owner: Karen Eberl

WINNERS DOG: Taliesin's Llenlleawg

RESERVE WINNERS DOG: Ch. Orpheus of Dunhill

JUNIOR PUPPY FEMALE

Glenamadda Starkeeper U R Zada, PW986628, 11/13/04 Breeder: owner, by: Arannwood Viking ex Ch.Starkeeper Glenamadda Realtan, Canada; Owner: Susan M.L. Prokopenko & Jocelyne Gagne Very promising red brindle, beautiful angulation and structure, great attitude. She was a little chunky and has a heavy thick coat , but both seem age-related and she should slim down nicely when she starts going leggy as she grows. Sound, has plenty of bone. BEST PUPPY

SENIOR PUPPY FEMALE

Glenamadda Starkeeper Quaddryl, PL954231, 06/11/04 Breeder: owner, by: Ch.Calorien Glenamadda Ard Rhi ex Ch.Kellamore Starkeeper Majora, Canada; Owner: Susan M.L. Prokopenko & Jocelyne Gagne Typey girl, beautiful easy movement, very nice head, nice length of rib cage. Stacks herself better than when the owner does it. Took this class based on her balance.

Demage Ouna Bella, PN962989, 07/05/04 Breeder: D.Renaud & G. Mc Neil, by: Ch.Demage Pirate Maboule ex Demage Am Stram Gram, Canada; Owner: Ginette Philippe At a growth stage where she is running higher in the rear than in the front, and this temporary loss of balance hurt her placing in this class. Has better bone than the first place. Lovely coming at me, less so going away. Nice head and ears, nice length of body.

Aotearoa Suro Kea's Mokopuna, PQ964194, 08/20/04 Breeder: Suzanne Ferguson, by: Aotearoa The Rising Of Tokelry ex Aotearoa Kiwi Kelti, Canada; Owner: Barbara Daley & Louise Kearns Very leggy dog, very easy on the move. Needs more depth of chest, more return of upper arm and more bone. Nice head, wonderful little ears. Decent coat.

MONTH 12-18 PUPPY FEMALE

Gabriels Starkeeper Jayde, 1083380,02/12/03 Breeder: Carol Garbiel, by: Am.Ch.Oxmoon Brogan Of Limerick ex Am.Ch.Gabriel's Greta Of Oxmoon, Elsewhere; Owner: Jocelyne Gagne,128 Pearson Road, Welland, ON, L3G 5N4 Best front in the class, moves cleanly coming and going, with an easy, light, long, strong side stride. Topline flattens a little on the move. Won over 2nd place on her size and bone, although these two bitches were very close in my mind.

Saringa's Miss Hexham, Listed,05/28/04 Breeder:Victor Hamsson & Jenny Dove,by: Garbhan Garvan of Green Ireland ex Baronfore Caoime By Sanringa,Elsewhere;Owner :Andrea Bell Dormady & Michael Dormady,290 Summer Street, Duxbury, MA, 02331

Stylish black bitch, who really floats from the side, very easy stride, nicely proportioned front. Less clean coming and going, although some of that was her behavior. Topline flattens a little on the move.

Starkeeper Cearah Of Fitzwick,PC933723,02/23/04 Breeder:Jocelyne Gagne & P.Hendrickson, by: Ch.Karontara Starkeeper Gable ex Ch.Starkeeper Cuhaven Brigid,Canada;Owner :John Fitzgerald & Jocelyne Gagne,170 Beach St., Wickork, RI, 02852

Topline could be stronger, needs a little more return of upper arm. Running a little high behind, but easy, long stride, very light on her feet, holds her shape on the move. Very attractive head. Obviously very young, not quite the balance and front of the first two placings.

Aotearoa Kui's Kotiro,NY907151,12/12/03 Breeder: owner, by: Ch.Aotearoa Manuka 2nd ex Ch.Aotearoa Mangu Kui,Canada; Owner :Barbara N. Daley,1304 Route 105, Chelsea, QC, J9B 1P4 In fit, hard condition and good weight, probably the best so far in this regard. Very attractive head, I'd like a little more length of body. Coming and going not her fortune. Again, obviously very young, not quite the balance and front of the top placings.

CANADIAN BRED FEMALE

Jadzia Freesoul Of Castlekeep,N1899133,08/27/03 Breeder:Donna Castle,by:Ch.Wolfhaven Soul Man ex Ch.Glor Na Gael Saoirse Castlekeep, Canada; Owner :Linda Wood & Donna L. Tomson-Castle,#701-50 Graydan Hall Drive, Toronto, ON, M3A 3A4

Has a lovely, correct front. Her head is a trifle long, and she was not very comfortable being examined. Nice depth of body and length of ribcage, easy mover, actually looks shapelier on the move than stacked.

Demage Carr Ramba,NG868593,04/30/03 Breeder:owner,by: Can/Am.Ch.Demage Larie Bouledingue ex Ch.Demage Tam Tam ,Canada; Owner:Danielle Renaud & Germain Mc Neil,Casier Postal 3192, Richmond, QC, J0B 2H0

Really likes her food, and it has unfortunately affected her topline. She is sound from all angles, has a good front, moves very cleanly coming and going and drives very well. She has a decent head and very good expression. The overall impression is of a cobby dog, but I have to believe that she'd have a very different look were she in proper weight – in fact, she'd likely have taken this class.

Castlekeep's Heavenly Freesoul,NQ899139,08/27/03 Breeder:owner,by: Ch.Wolfhaven Soul Man ex Glor Na Gael Saoirse Castlekeep,Canada;Owner :Donna L.T. Tomson-Castle,675 #6 Highway S, R.R. #3, Hagesville, ON, N0A 1H0

Has a decent front, length of body and proportions are good, and she moves well from all angles. Her head is overly long and narrow and her topline doesn't hold as well on the move as 1st place.

Laislinn Starkeeper Rayne,PJ971100,06/05/04 Breeder:J.Gagne,L.Hopf & P.Pounder, by:Am.Ch.Oxmoon Brogan Of Limerick ex Ch.Starkeeper Wynde Of Eagle,Canada;Owner :Jocelyne Gagne & Linda Carter-Watts,128 Pearson Road, Welland, ON, L3B 5N4

Lost out on her front and her length and depth of body, does have very nice bone. Very pretty head and decent coat.

BRED BY EXHIBITOR FEMALE

Shanachie's Navigator, Listed,10/30/01 Breeder: Donna Monahan, Donna Distefano, by: Ch.Wolfhaven Soul Man ex Sherwood's Kindred Knightngale ,Elsewhere; Owner :Donna Monahan,P.O. Box 177, Chester, VT, 05143

Excellent proportions, length and depth of body to length of leg. Very shapely standing and on the move. Has a decent front, good easy side movement and is clean coming and going. Beautiful head. Calm and steady demeanor. This one looks like she could run!

Castlekeep's Soul Of The Earth, NQ899135,08/27/03 Breeder:owner,by: Ch.Wolfhaven Soul Man ex Glor Na Gael Saoirse Castlekeep ,Canada;Owner :Donna L.T. Tomson-Castle,675 #6 Highway S, R.R. #3, Hagesville, ON, N0A 1H0

Decent front, nice coat, adequate length of body. Moves easily and is light on her feet, holds her shape and topline on the move. Perfectly clean coming and going. I preferred the head on the 1st place bitch and felt she moved just a trifle stronger, but this one came close.

Redtops Reanagh, ERN23002174,11/03/00 Breeder: Rosemary E. Wortman, by: Stoneybrook Konjur ex Redtops Regina,Elsewhere; Owner:Rosemary E. Wortman,Redtop, 121 Norcross Hill, Baldwinville, MA, 01436

Big, strong, decent front, very nice shape standing and on the move. Nice head and a decent coat. Coming and going are not her strong points, and while her side movement was good, she didn't really want to extend herself – possibly because by this time, the heat was beginning to affect us all. Placed this high on the basis of her typiness and size, which are truly eye-catching.

O'lugh's Parting Of The Sea, Listed,07/19/02 Breeder:owner,by: Can/Am.Ch.O'Lugh Vintage Merlot,ex.: Can/Am.Ch.O'Lugh Touch By An Angle ,Elsewhere; Owner :Andrea Bell Dormady & Michael Dormady,290 Summer Street, Duxbury, MA, 02331

In strong, hard shape, has a decent front and moves out in a sturdy, workmanlike fashion. Clean coming and going. Could use a little more bone and a bit more depth of chest. Angulation looks better when she walks herself into a stack.

OPEN FEMALE

The first two placings in this class were very close, but both stood out from the rest of the class

Sharbo Sharin' With Wolfkin, 1084699,04/06/02 Breeder: Sharon M. Gilb, by: Pitlochry's Real Eagle ex Sharbo That's Fancy,Elsewhere;Owner :Casey Nesbitt,3874 Old 2nd Rd.N. RR #3, Elmvale, ON, LOL 1P0 - Agent: Geraldine Morito

This bitch was handled by a novice, but her quality shone through on its own. Very pleasing balance between power and greyhoundiness, and held her shape wonderfully on the move. Movement was easy and light, with long, true strides. Decent front, a very nice head and a wonderful attitude.

WINNERS BITCH

Brimstone Michaela, Listed, 08/22/01 Breeder:Loren & Laurie Morris,by:Stoneybrook Konjur ex Brimstone Michaela,Elsewhere;Owner :Donna Smith & Laurie Morris, 2530 Route 212, Coopersburgs, PA, 18036

Definitely a contender, very well-made front, balanced and with plenty of return of upper arm. Head was a trifle doggy for my taste but still very pleasing. Wonderful on the move, sound and true and holds her shape going around. RESERVE WINNERS BITCH

Knocknarea Tamsin, ERN22002570,09/27/01 Breeder:Ika & Uli Peiler, by: Knocknarea Phelix ex Knocknarea Rialtin ,Elsewhere; Owner :Pamela J. Murphy,48 J. Street, Turners Falls, MA, 01376
Very pleasing bitch despite her weight, though she moves a trifle wide in front and her topline flattens on the move (both possibly attributable to the weight). Very nice head and expression. Strong, driving, well-constructed rear, moved well going away, which placed her above the 4th place bitch.

Shanachie's Tribute, Listed, 10/30/01 Breeder: Donna Monahan, Donna Distefano, by: Ch.Wolfhaven Soul Man ex Sherwood's Kindred Knightngale ,Elsewhere;Owner :Donna Monahan,P.O. Box 177, Chester, VT, 05143

Tall, leggy, well-balanced, shapely and well-angulated. Topline could be a bit stronger. Movement good from the side and coming at you. Pelvic structure a little narrow, which translated into closer movement behind.

WINNERS BITCH: Sharbo Sharin' With Wolfkin

RESERVE WINNERS BITCH: Brimstone Michaela

VETERAN FEMALE

Can/Am.Ch.Kellcastle Starkeeper Vanilla,F.Ch.,1066995,05/19/98 Breeder: Anne & Allen Prill, by: Am.Ch.Moloney's Andre ex Am.Ch.Kellcastle's tartan-N-Tweed ,Elsewhere;Owner :Jocelyne Gagne,128 Pearson Road, Welland, ON, L3B 5N4

A very young-looking bitch who was practically bouncing around the ring, clearly enjoying herself. Very pretty wheaten, nice shape that she holds on the move.
